Explanation of Responses:

1. This Form 4 is being amended to reflect the maximum number of shares that may be issued pursuant to a restricted stock award of Class A Common Stock, originally issued on December 1, 2020, upon achievement of service-based, market-based, and liquidity event-related performance vesting conditions. The previously filed Form 4 reflected the number of shares that may be issued upon achievement of the performance related vesting conditions at target.

2. Column 5 reflects shares beneficially owned as of December 1, 2020, the date of the transaction reported in the original Form 4 filing. Certain of these securities are restricted stock awards. Each restricted stock award represents the Reporting Person's right to receive one share of Class A Common Stock, subject to the applicable vesting schedule through February 15, 2024. In the event the Reporting Person ceases to be a Service Provider, or if certain restricted stock awards do not satisfy market-based or liquidity event-related performance vesting conditions, the unvested restricted stock awards will be cancelled by the Issuer.
